

The background of the card is decorated with a variety of Easter-themed illustrations. At the top, two white rabbits with pink inner ears and rosy cheeks peek over a white rectangular box. They are surrounded by several decorated Easter eggs: a dark blue egg with orange polka dots, a solid red egg, a yellow egg with brown speckles, and a yellow egg with orange stripes. Blue leafy branches are interspersed among the eggs. The sides of the card are also decorated with more eggs and branches. On the left, there's a red egg with white patterns, a green branch with a red fruit, and a pink speckled egg. On the right, there's a red egg, a yellow egg with orange stripes, and a blue egg with white and orange polka dots. The bottom of the card features a green plant, a yellow egg with blue stripes, a blue egg with white and orange polka dots, a white rabbit, a solid red egg, a yellow egg with orange stripes, and a dark blue egg with orange and white polka dots. The background consists of horizontal bands of soft colors: light orange, white, light blue, and light yellow.
